

Conservatorium Maastricht Foundation - Application Form

Conservatorium Maastricht has set up the Conservatorium Maastricht Foundation (CMF) along with a number of music lovers in order to raise funds to support talented students at Conservatorium Maastricht who find themselves in financial need.

Finances

The funds available to the CMF mean that it can provide a limited number of talented students with financial aid to help them offset their study costs, the purchase of an instrument, or attendance at master classes and competitions in the Netherlands and abroad. Aid is only provided, of course, **if the students concerned do not already have sufficient financial resources**. If you have questions about the CMF application procedure, please contact CMF board member Peter Steijvers (petersteijversCMFI@gmail.com or by phone 0031611006791).

Applications and selection

Students who wish to apply for financial aid from the CMF must fill in the appropriate application form and send the application in PDF to petersteijversCMFI@gmail.com.

1. Have you already been enrolled at Conservatorium Maastricht for one year, and what academic results have you achieved? (include your Osiris printout in PDF)
2. What is your personal financial situation? (Provide an overview of your income and expenditure in PDF)
3. Which leading musicians can recommend you? (Provide at least two letters of recommendation from two different musicians in PDF)
4. What important competitions/ festivals/concerts etc. have you taken part in? (Provide a list; in the case of competitions, state the results in PDF).

Your application will be assessed by our internal expert, who will recommend to the Board CMF. The Board will decide and will inform you about the result. Completing the form does not automatically lead to receiving financial support. The assessment will take place to determine the aid. In the context of the recommendation by the internal expert and the subsequent decision of the CMF board, objectivity and neutrality are taken as starting points. The principles stated in the recommendation in question are strictly confidential and are only known to the internal expert and the board of CMF. No objection can be made to the decision and the assessment of an application underlying it and cannot be communicated to the internal expert and the board of CMF.

Yours sincerely,

Conservatorium Maastricht
